to the Boundary Review Committee

-I am a resident of the unincorporated area of Hacienda Heights since Jan. 1963- I am concerned with the redistricting plans for our area.

Hacienda Heights has a long history of being a part of the Fourth Supervisorial District along with our neighbors in Rowland Heights, Diamond Bar and Walnut. We appreciate our Supervisor Janice Hahn and would like her continued support,

Your Public Input needs to let the Commissioners know to leave our community in its current district and NOT RE-DISTRICT us.

Hacienda Heights prides itself in its diversity and respect of all cultures- The largest Buddhist Temple on the West Coast is in our community.
as well as St. John Vianney Catholic Church- , which before the Pandemic brought our and lots of surrounding cities together for the famed yearly
"Early California Days"celebration

Our identity and strength is in our partnerships with Rowland Heights, Walnut and Diamond Bar
As a resident of Hacienda Heights I feel with many of my neighbors that the First Draft of the redistricting lines -removing us from Rowland Heights
and pushing us into a district with Whittier to the West and City of Industry to the North is NOT ACCEPTABLE

I strongly recommend that the Executive Director and ALL Commissioners NOT CHANGE Hacienda Heights' "DISTRICT LINES" . I believe

it is important to leave the current communities in the Fourth District together, because there are ties with respect to Public Safety, Emergency preparedness, environmental issues, businesses, and relations with other government entities , and [public spaces.

Thank you for your time and consideration

Sincerely..  Hildegard A. Weck,,
